From 1988 through 1993, no Eric Berne Scientific Memorial Awards were presented. Instead, qualifications for the award were broadened to include four areas of contribution: (1) theory, (2) research, (3) practice applications, and (4) comparison and/or integration of TA theory or practice with other theories or approaches. The name of the award was changed to the Eric Berne Memorial Award in Transactional Analysis, with the first new awards presented in 1994.
